

Authorization to Dispense External Preparations

**590-1-1-.20(1)**

Parental Authorization. Except for first aid, personnel shall not dispense prescription or non-prescription medications to a child without specific written authorization from the child's physician or parent. Such authorization will include, when applicable, date; full name of the child; name of the medication; prescription number, if any; dosage; the dates to be given; the time of day to be dispensed; and signature of parent.

I give the staff at the Child Development Program at Georgia State University, permission to apply one or more of the following topical ointments/preparations to my child \_\_\_\_\_, in accordance with the directions on the label of the container.
